

Classic keychains

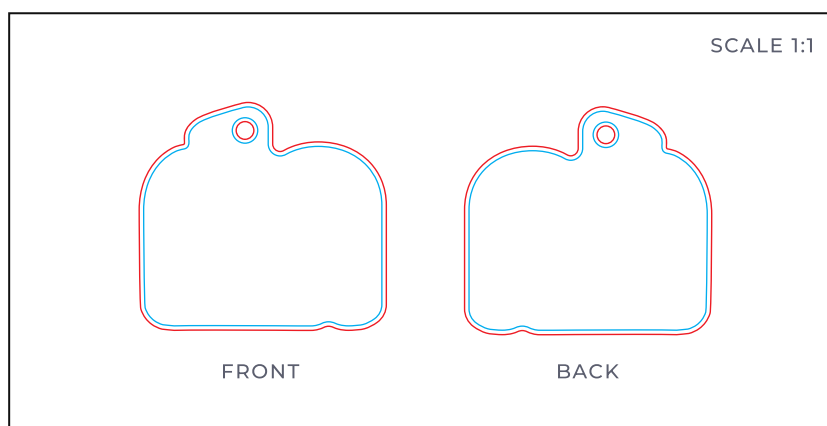

3D-BRL-03

The shape on the template is only an example. Every product can be made in a custom shape and size to match your design. The template shows how to prepare the file: areas, margins and places for decoration.

A larger or unusual design is possible too – we will discuss it individually and match it to production capabilities.

DIMENSIONS

-  **32,5 × 30 mm**
Product outline
-  **31,5 × 29 mm**
Full design area
-  **3 mm**
Diameter of the hole for the metal chain
