

Magnetic keychains

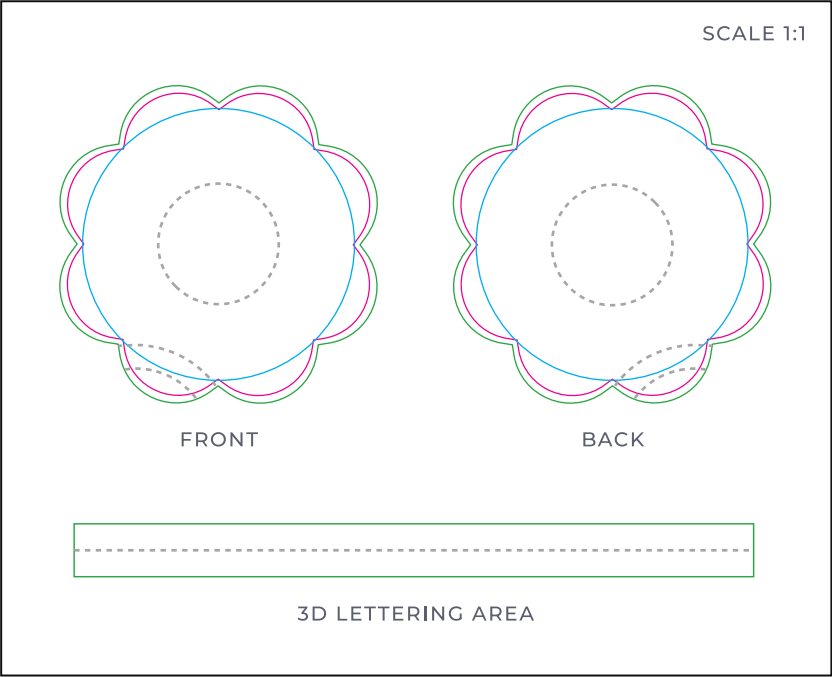

3D-BRL-05

The shape on the template is only an example. Every product can be made in a custom shape and size to match your design. The template shows how to prepare the file: areas, margins and places for decoration.

A larger or unusual design is possible too – we will discuss it individually and match it to production capabilities.

DIMENSIONS

-  **42 × 42 mm**
Product outline
-  **40 × 40 mm**
Full design area
-  **36 mm**
Diameter of the circle for 3D lettering
