

Notebook band charms

3D-PIN-04

The shape on the template is only an example. Every product can be made in a custom shape and size to match your design. The template shows how to prepare the file: areas, margins and places for decoration.

The suggested maximum size (grey dashed line) is a guideline, not a strict limit. A larger design is possible too – we will discuss it individually and match it to production capabilities.

DIMENSIONS

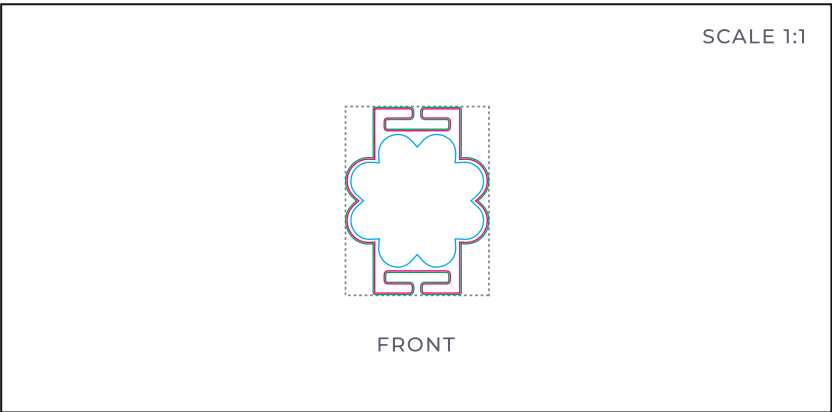

- 19 × 25 mm

Product outline
- 18,5 × 24,5 mm

Full design area
- 17 × 17 mm

Texture area
- 19 × 25 × 2 mm

Suggested maximum product size
