

Winter beanies

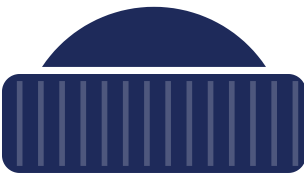

Knitted winter beanies with a logo –
your own style, up to 4 yarn colours,
cuff, pompom and fleece lining.

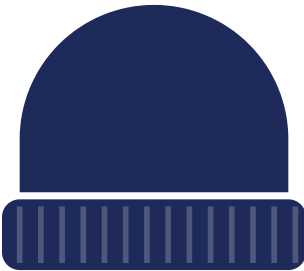

01

Style

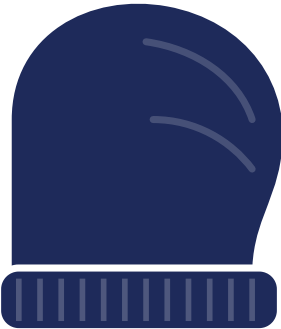

Eight proven cuts. We can also make a beanie to your own design.

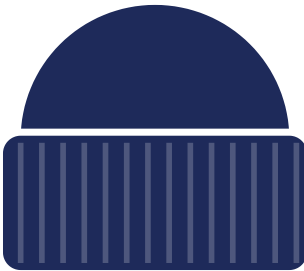

Fisherman (short)

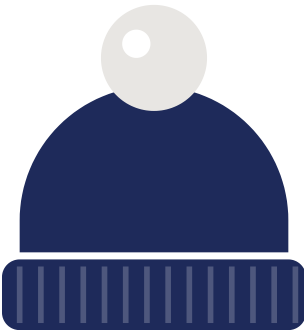

Standard (medium)

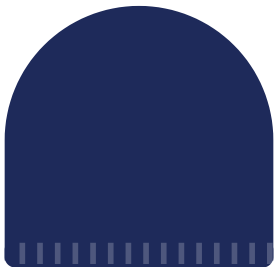

Slouchy (long)

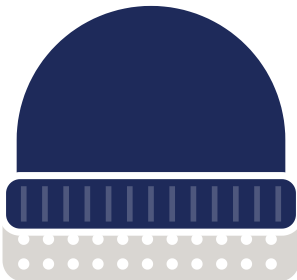

Cuffed

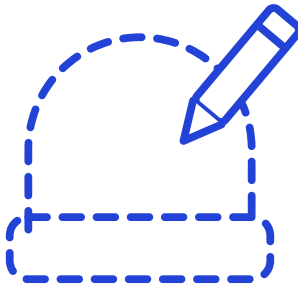

With pompom

No cuff

Fleece-lined

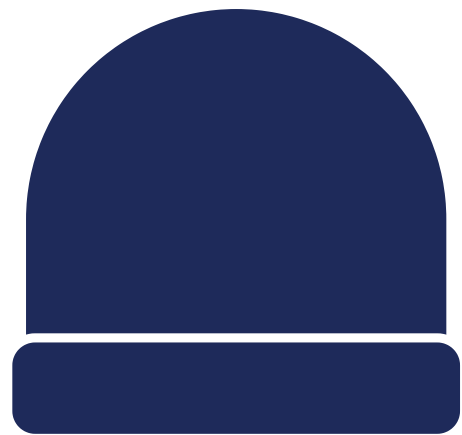

Custom style

Describe your idea in your enquiry.

02

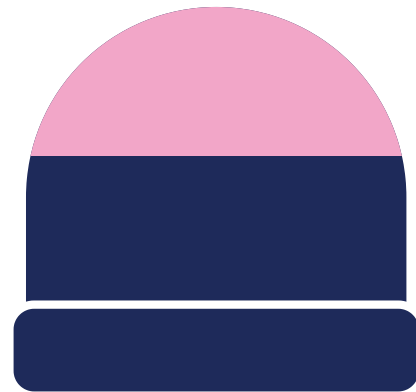

Colours and pattern

A beanie can have one to four yarn colours or any pattern knitted into the fabric, including lettering or a logo.

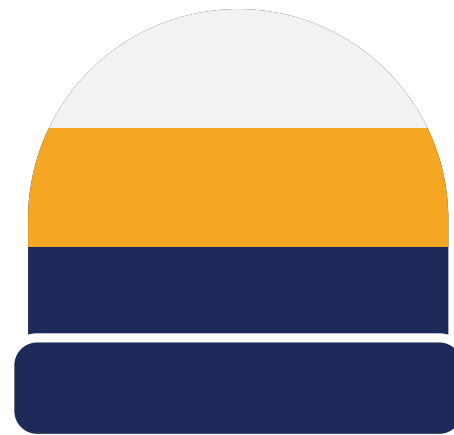

1 colour

A single-colour beanie.

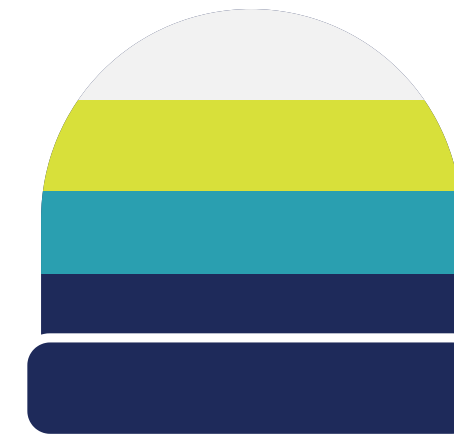

2 colours

E.g. stripes or a contrasting cuff.

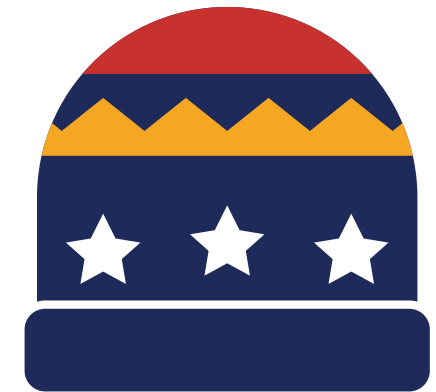

3 colours

Three stripes or a simple motif.

4 colours

The most pattern options.

Custom pattern

Lettering, a logo or a motif knitted into the fabric.

03

Branding

Choose how your brand will appear on the beanie.

No branding

Logo label

Sewn into the cuff seam.

Embroidered patch

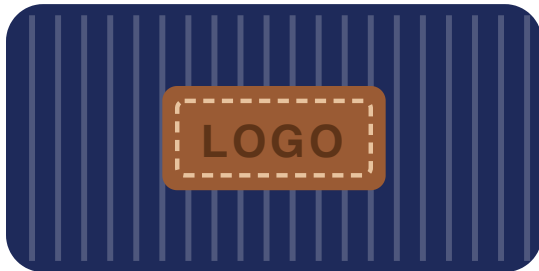

Sublimation patch

Full colour, including photos and gradients.

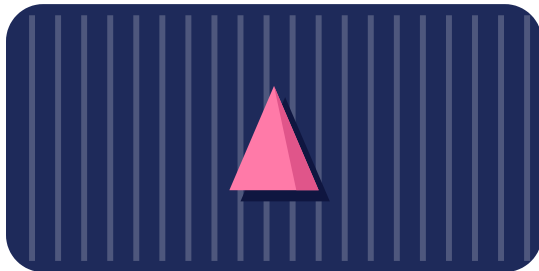

Sublimation patch with reflective edge

Reflective border – visible after dark.

Leather patch

Logo embossed in leather.

3D logo

A raised 3D-printed element.

Direct embroidery

Logo embroidered onto the knit.

Label and patch examples

This is how labels and patches look on finished beanies – we will make each one with your logo.
